THE INDEX

Acclimatization, (note), 81; of the Peach, (note), 381
Adams, Charles C., Post-Glacial Origin and Migrations of Life, 303, 352; Cyrus C., A Text-book of Commercial Geography, (review), 187
African Imports, 205
Agave, 6
Agricultural Exports of the United States for 1901, (note), 43
Alaska and the Yellowstone, Touring, (book note), 91; in 1902, Plans for Government Surveys in, (note), 219
America in 1900, Mineral Products of, (note), 43
Analytic Method of teaching Geography, 71
Andean Mountain System, 109; Plateau, Industries of, 114; People of, 111
Andrews, A. W., The Use of Maps in the Teaching of Geography, 97
Animal Industry, The Bureau of, (note), 41
Anglo-Boer War, Cost of, (note), 44
Announcement, 3
Antarctic Continent, First on the, (book note), 89
Anthropogeography, 42, 83, 133, 228, 325, 471
Anthropology, (note), 280
Antwerp, The Royal Geographical Society of, 239
Arid Lands of the West, (note), 130
Aridity Indoors, Winter, M. S. W. Jefferson, 444
Around the World, Clarence F. Carroll, (review), 189
Articles on Commerce and Industry, Current, (note), 151, 179, 229, 285, 331, 384, 434, 476
Asiatic Imports, 204
Associative Method of Geography Teaching, 72
Astronomy, (note), 79, 127, 218.
Atlantic Coast, Vegetation of the, (note), 177
Atmospheric Temperatures, The Influence of Ponds and Rivers on, M. S. W. Jefferson, 400
Atrocities in Congo, (note), 228
Australia, Exploration and Early Settlement of, 99

Baber, Zonia, 143
Baldwin Locomotive Works, 125
Balloon Ascent, The Highest, (note), 39
Bear, The Great, (note), 128
Biological Station, Montana, (note), 240; on the Straits of Fuca, A Marine, Conway MacMillan, 262
Block Diagrams, (note), 138
Board on Geographic Names, Decisions of U. S., 167, 213, 271, 371
Boer War, Cost of the, (note), 44
Bombay and the Suez Canal, (note) 134
Book Notes, 89, 142, 233; Reviews, 45, 87, 140, 179, 185, 229, 285, 291, 331, 338, 384, 387, 434, 436, 476, 484; Reviews, Essentials of, 217
Books, A Test of Geographic, (note), 184
Botany, A Laboratory Manual of, Otis W. Caldwell, (review), 341
Botanical Gardens, The New York (note), 239
Boulder Wall in Sanilac County, Michigan, An Interesting, (note), 379
Boundary Question, The Chilean, (note), 85
Brown, Robert M., Gaspee Point: A Type of Cuspate Foreland, 343
Bryce, James, The Importance of Geography in Education, 145, 206
Buenaventura, 120
Buenos Aires, Drainage Canals in the Province of, (note), 431
Building in 1901, Railway, (note), 326
Bureau of Plant Industry, New, (note), 180

20081
